On completion of this course, candidates will hold a licensing qualification with which they can apply for the Personal Licence.

Anyone who authorises the sale of alcohol to the public (as per the legal requirement in England and Wales) is required to have a suitable qualification.

All successful BIIAB APLH candidates are invited to activate their complimentary provisional BII membership. This is the first step to becoming a member of the professional body for the licensed hospitality sector and includes some bespoke benefits. Visit www.bii.org for more information.
